- Cancellation notification must be received no later than three days before the first day of class in order to qualify for a full refund. Call the club phone at 610-941-6394 and leave a message if you must cancel.
- You will need a regulation collar and leash. If you are not sure what equipment is proper, do not purchase any new equipment. Our collar prices are reasonable and we can help you choose the correct collar and/or leash.
- Dogs must be at least 4 months old and housebroken. Before coming to class, your dog should be well groomed with his nails clipped.
- Dogs that are ill or in season are not permitted in class—attend without dog and continue working at home.
- Your dog must be on leash and under control at all times, indoors and out. Dogs must not visit with other dogs coming, leaving, or during class.
- We recommend you do not feed your dog before class. Handlers must clean up after their dogs. Clean-up equipment is available indoors. A trash can and bags are supplied outside. Exercise area is in the vicinity of the trash can - do not let your dog use any other part of the grounds.
- Due to insurance regulations and for safety, all handlers must wear sneakers or shoes with rubber soles. No high heels, sandals, leather soles, bare feet or foot gear determined by the instructor to be inappropriate will be permitted.
- The dog should be handled by the same person for the 7 weeks. Subject to the instructor's approval, we accept young handlers if they are able to handle the dog. For handlers under age 16, one parent **must attend every class**.
- To receive a diploma, you must attend 6 of the 7 classes. **The first class is mandatory.**
- Suburban Dog Training Club, Inc. reserves the right to excuse any dog or handler who is a danger to the class.
- This is a seven-week course. If a student is absent from class for any of the classes, they **may not** extend their training for any additional weeks.

Due to zoning requirements, we must have on file a copy of your **valid Pennsylvania dog license** and a copy of your **up-to-date rabies vaccine certificate** if your dog is 8 weeks or older. **These must be mailed in, or scanned and emailed with your application.**

Without proof of rabies and license copy, your application will not be considered complete.
